Aramex New Zealand allows for the following approved classes of dangerous goods* to be carried **WITHIN ISLAND** only as a DG or a DGLQ consignment.

Please indicate which of the four DG's carried by Aramex you will be transporting.

Class 2.1
Flammable Gas

Class 2.2
Non Flammable Compressed Gas

Class 3
Flammable Liquid

Class 9
Miscellaneous Dangerous Goods

*Please note Aramex New Zealand prohibits the transportation of Dangerous Goods as Consumer Commodities, Small Packages or Excepted Quantities. All Dangerous Goods shipped must be done so in accordance with the NZ transport rules governing the movement of Dangerous Goods by road.

By signing this application form I confirm that I have read and understood the Aramex Conditions of Carriage and all policies relating to the shipment of dangerous goods within the Aramex network.

Please refer www.aramex.co.nz/tools/dangerous-goods/ for more information.
